

Level Technology Selection Questionnaire

Customer information

Contact: _____ Prepared By: _____
Company: _____ Date: _____
Address: _____ Notes on the Application: _____
City: _____ Country: _____
Zip/Postal Code: _____ Phone: () _____
E-mail: _____ Fax: () _____

Material/Product

1) Material being measured: _____ Liquid Solid

2) Material temperature: _____ C/F

3) Measurement type: Point level Continuous level Volume Flow

4) Tank/vessel dimensions:

Height: _____ m / ft

Width/Diameter: _____ m / ft

Process connection: *(specify type)* _____

Critical Information

Nozzle Length: _____ cm/in

Nozzle Diameter: _____ cm/in

5) Vessel atmosphere: Air Other _____ Homogenous: Yes No

6) Vessel pressure: Normal: _____ Relief: _____

7) Internal equipment and/or obstruction: No
 Yes *Please list* _____

8) Accuracy required: _____ cm/in or % of Range

9) Approvals required: _____

Notes:

Products recommended:
